

GARY FEWKES

Gary holds a Bachelor of Arts Degree with Honours in Psychology and is a Registered Psychologist. He enjoys working with people adjusting to new situations in their working lives and personal lives and has an interest in men's issues, depression, anxiety, grief and loss and mental health.

He has also worked with women experiencing domestic violence and as a Counselling Supervisor with Lifeline.

For a booking with Gary please ring 0431 058 637

Gary also facilitates our Men's Group on a Monday evening.

Community House wishes to meet the needs of the community in the best possible way and our Counselling services are offered by accredited and experienced counsellors.

There is no cost if you are eligible for the Medicare Mental health Plan. Medicare referral must be obtained through your GP.

Cost: \$40.00 for the first visit and \$30.00 for all following visits.

We also offer Couples Counselling - Cost: \$50.00

Please ring the House for bookings or more information.

Please note:

We do not wish people to be excluded because of financial pressure, so please, talk to our Coordinator or Gary (in complete confidence) if costs are a problem for you.
